To Whom It May Concern,

Letter of Assessment

From 13-Dec-2023 to 19-Jan-2024, pursuant to our agreement with Atlassian Pty Ltd (Atlassian), elttam conducted a review of the Bitbucket Cloud ecosystem with a focus on pipelines, access control features and integrations with other services.

The engagement commenced with a detailed briefing and walk-through by Atlassian Pty Ltd. The assessment was performed by a team of three consultants over the assessment period following a code-assisted penetration testing methodology incorporating both automated and manual approaches.

elttam is an independent security company providing research-driven security assessment services to the Fortune 500, global financial institutions, leading technology companies, Australian Federal Government, and up and coming technology start-ups. We combine pragmatism and deep technical insight to help our clients secure their most important assets.

Sincerely,

Matt Jones
