Atlassian Pty Ltd

AUSTRALIA

To Whom It May Concern,

Letter of Assessment

From 14-Jun-2021 to 25-Jun-2021, pursuant to our agreement with Atlassian Pty Ltd, elttam conducted a black-box review of Trello, a web-based Kanban-style list-making application which is a subsidiary of Atlassian.

The engagement commenced with a kick-off meeting to confirm access and project scope. The assessment was performed by one consultant over the assessment period following a black-box penetration testing methodology including testing of the core Trello application and major use-cases to identify potential weaknesses and vulnerabilities. The engagement was concluded with a report was issued to Atlassian.

elttam is an independent security company providing research-driven security assessment services to the Fortune 500, global financial institutions, leading technology companies, Australian Federal Government, and up and coming technology start-ups. We combine pragmatism and deep technical insight to help our customers secure their most important assets.

Sincerely,

Nina Rodgers
